MILLS DISPLAY

INTRODUCTION

Mills Display prides itself on being the leading supplier, manufacturer and importer of an extensive range of food display, point of sale, display, signage and printing products for retail. With over 25 year's industry experience, we will assist you in enhancing your business by providing effective, commercially-proven and affordable solutions. Our mission overall is to be the first choice in product presentation and visual communication for the retail environment.

This path has become clearer with our merger with SSE Shopfitting. Mills and SSE are now able to offer an end-to-end retail equipment solution from concept design, sourcing, project management and installation. SSE's range of standard shopfitting equipment, from metal/wire gondola shelving, to timber fixtures, as well as partnerships with a range of low cost/high quality factories throughout SE Asia make us the perfect destination for store improvement projects.

Our methodology is simple and centered around 'getting results' We endeavor to meet your every expectation through creatively delivering high quality and inexpensive solutions with the greatest level of customer service.

Our team of experienced professionals across a broad range of retail disciplines with a blend of experience and commercial know-how means that we understand the needs of your business and will work along side you to find solutions that satisfy your display requirements.
